

SOUTHERN DISTRICTS CAR CLUB

www.sdcc.asn.au

Dear Members,

With the current issues in relation to Corona Virus Covid-19, Government restrictions, and advice from Motorsport Australia, we are sad to report the following.

In the best interests of our volunteers, officials, competitors, members and the wider community, SDCC has taken the following decisions in regards to our events running at MMM this year.

- SDCC will be suspending our JDP (Junior Development Program) with the belief of running this later in the year.
- SDCC will be postponing Khanacross #1 (April 19th) with the belief of running this later in the year.
- SDCC will be postponing Khanacross #2 (May 24th) with the belief of running this later in the year.
- SDCC will be postponing Khanacross #3 (June 21st) with the belief of running this later in the year.
- SDCC is still looking to run the State Khanacross Championship round in July this year.

Southern Districts Car Club is hopeful that all we can run as many of our events as possible this year, and we will keep you up to date with any changes to our event itineraries throughout these times. It is important to us at SDCC that you each look after yourselves and your families at this time, and follow the guidelines of the Health Authorities.

If you have entered Khanacross #1, and paid for it, you have 2 options.

If you require a refund, please email secretary@sdcc.asn.au

If you would rather leave your payment in the system, we can hold it until your next event.

If you have entered the JDP, Trevor Palmer will be in contact with you in regards to the JDP and payments.

Regards

Daniel Claridge
SDCC President
