

Disturbing News

Due to the actions of may be two of the club's executive members the clubs' members are going to be striped of the online membership and online Entry System and put the club back 5 years.

There will be NO online entry system for 2023

Also, there will be NO Khanacross Timing as you no it for 2023.

To me it looks like these two executive members are putting them self be for our members. You need to act now to save our club which I believe is NOT being run for its members any more.

After all the good work that has been done to help are members and make it easy for you to do you membership online it is a shame that you are going to lose it.

Like wise the online entry system will also go on the 31st December 2022

The Khanacross timing has taken many years to develop and make your events run so smoothly, all to go.

I am very sorry that this is happening. It do's not have to be this way. All we need is for the two involved to stand down and stop dictating to our members want you can and can not do.

Like use Pay Pal, Do an Online Entry, Have Khanacross Timing.

One of these two has for 3 years tried to stop you from using Pay Pal. Why would any one do that to you as members you should have a choice.

Sorry for this email, but you had to no want is going on.
