1	If we got funding ok, but I would stick with what we have and improve our Khanacross track and ?Rallysprint tracks first. But then again if there was \$'s to be gained to the clubs advantage, then perhaps Clay/Dirt pad to start with, then it could be a base for a Tarmac/Concrete pad	12/10/2019 8:33 PM
2	Too many competing car club motorkhana events already	12/9/2019 5:44 PM
3	we have the space, but a more detailed cost analysis required	12/9/2019 10:34 AM

Q8 General Meetings - What would make you want to go to a General Meeting throughout the year (not AGM)

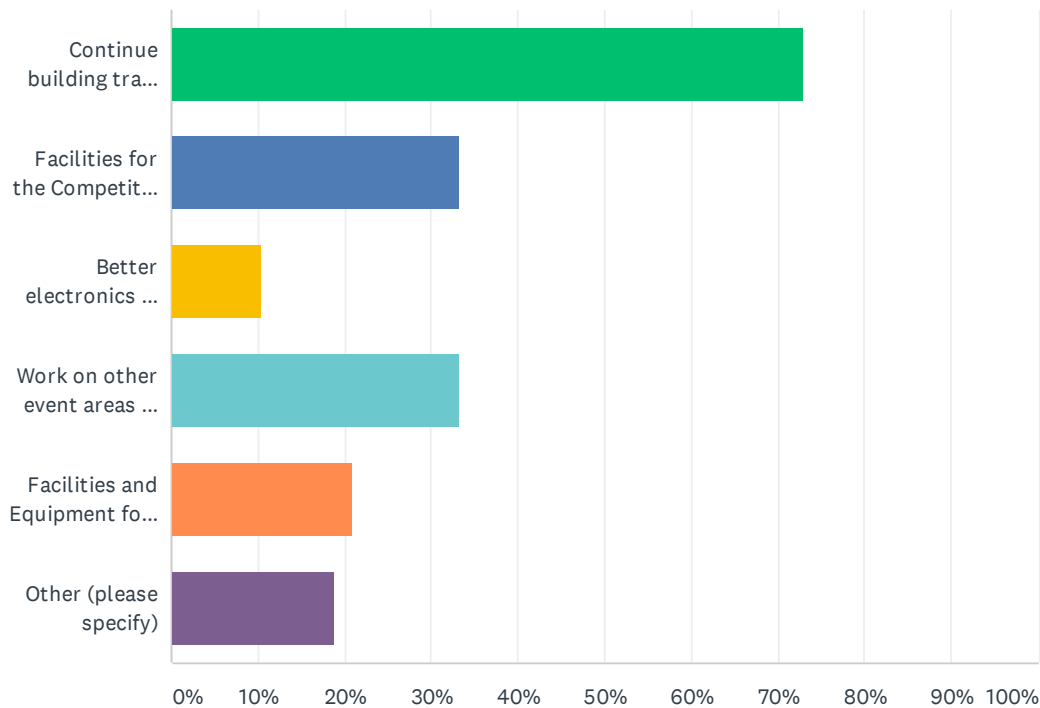

Answered: 37 Skipped: 11

#	RESPONSES	DATE
1	No other commitments! I haven't been to one but based on other club meetings - Minimise the 'official stuff' (eg. don't read the last minutes - put them online and hopefully enough people read them to be able to pass) - good Chairing, eg. if discussion going around in circles without resolution, summarise the points and vote or say if not many people, deal with later..... you probably get the point but so many clubs will drag out meetings and it doesn't help. I guess meetings can be a bit 'chicken and egg' in that lots of people there to have a chat after is good but you have to get the people there to be able to enjoy that aspect and keep wanting to come back for that. I gather the question means you don't get many? Maybe practical stuff if you had a 'nucleus' of younger members - eg. how to build a rally car or aspects of it.	1/5/2020 12:11 AM
2	time	1/4/2020 5:09 PM

4	N/A	12/14/2019 1:07 PM
5	Why would I want to go to a meeting? Meetings are for running a club, events are for socialising. A club doesn't need ALL of its members to run the club, but it does need the right people running the club.	12/11/2019 12:00 PM

10	Make them more entertaining with guest speakers and shorter meetings. We have the ability to share information quickly via website and other activities rather than at meetings	12/10/2019 7:43 PM

1	Sorry i missed this when first sent. Hope not too late but then not sure how much use it is for me! What i saw from JDP last year was fine - this year plan more involvement - always hard though with younger families and fitting everything in - esp meetings but I do understand that if people make the effort to turn up, having a bigger nucleus of people makes for more fun for everyone. I would try and make the effort if it made the difference.	1/5/2020 12:11 AM
2	no	1/4/2020 5:09 PM
3	I think the club should use more CAMS rules. Having members make up there own rule can bring the chance of dislike to that person or another and may bring legal problems with CAMS be an affiliate club.	12/15/2019 8:06 PM
4	No. Thanks SDCC!	12/14/2019 1:07 PM
5	I understand and accept that SDCC is made up of volunteers that are doing what they think is the best thing for all. I'm grateful for volunteers and don't judge them too harshly if their ideas are different to mine of if they make mistakes.	12/11/2019 12:00 PM
6	To enable a smooth running day and more track time for all. Events to run on time, stick to the published schedule, scrutiny & start times, penalties for late comers. Timing equipment to be more reliable. The poor timing equipment takes up valuable track time and drags the day out.	12/11/2019 8:40 AM
7	I feel there's a big gap in the rally side of things, with more rally sprints it will make it more possible to introduce the younger ones into the higher speed stuff before looking at the big game	12/11/2019 5:02 AM
8	It's early days for me, it's been a lot of fun so-far. Thanks to all who put in the huge effort here.	12/11/2019 12:06 AM
9	When new members come to a General meeting, one our committee members should be allocated to look after that member. I have observed that they don't return and that question should be asked perhaps in an email to the new member.	12/10/2019 8:33 PM
10	We my need to look at maximum speed of vehicles on some khanacross tracks to ensure we are complying with event regulations	12/10/2019 7:43 PM
11	I think that a "pretty up" of the complex is needed. Trees in the pit area and a brighter repaint of the toilets would help make the area look better for visitors.	12/10/2019 6:33 PM
12	Southern Districts is a good club and I am grateful for the work that the committee and officials do.	12/10/2019 2:06 PM
13	being new to the SDCC it is great to join in. since there isnt a lot of rally rounds being held it would be great to attend events at MMM as often as possible, and would be great to hold events there more frequently. I also have a number of mates that are now aware of how easy it is to join SDCC and enter events and the requirements for khanacross for example and they are very keen to get involved next year. I did struggle to find clear information and clarification to CAMS specifications regarding what safety equipment is required and car requirements for events such as the Adelaide Hills into rally Overall though, for a newcomer to this, I have had a great time, and not spent a lot of money and will be attending every event that I can make it to in 2020, including converting my historic registration over from SMASA to SDCC early in the new year. keep up the great work!	12/10/2019 9:23 AM
14	More access to cars and events for JDP students to compete. If over 50 entries have an earlier start time to commence racing.	12/10/2019 8:45 AM
15	Be good to have multiple tracks ready at khanacross so we could go faster throughout the day 9:30 start	12/10/2019 12:22 AM
16	The number of Khanacross is off-putting for some as less runs result. I think this might be because there is not enough interest in the next level events, because people don't know what they are. The club needs to push people out of Khanacross and show them how to go to the next level. This increases demand for Rallysprints and decreases demand for Khanacross, which frees up entries for newcomers to Khanacross and fills the Rallysprint field. One way would be a rallysprint information and training evening, so people get training on basic timing, how to co-drive etc. A lot of people don't know what they even are and need that support.	12/9/2019 8:03 PM
17	old people that dont compete and arent much fun and get grumpy all the time and are rude about everything running the club	12/9/2019 6:20 PM
18	No	12/9/2019 6:06 PM

19	Missing Lanac Park as live south and MMM too far away!	12/9/2019 5:44 PM
20	This club is going from strength to strength over the last few years Keep building a family friendly club with a committee that wants to work as a team I think your on the right track	12/9/2019 5:38 PM
21	Great job this year really enjoyed it Thanks	12/9/2019 4:57 PM
22	Carry on the good work	12/9/2019 3:06 PM
23	Emails being sent out up to 3 times. Social media presence. Having someone that can give new comers information be easily accessible. Commentary during Khanacross.	12/9/2019 2:49 PM
24	The timing system got it wrong on round 6 when I was gunning for a trophy, this was frustrating. Getting going early so we can get more runs in, it feels like we are standing around a lot and waiting. Maybe some support for adult male drivers to have a co driver to help improve technique so we can get better.	12/9/2019 1:30 PM
25	Recommend Life Membership for XXXXXX.	12/9/2019 10:34 AM
26	As I am not involved in hill climbs or rallies I have no idea if there are improvements to be made in this area. Club house and facilities are progressing well. For my self to keep me interested I would love too see longer events, say 4k Autocross. ? I'd rather pay for more racing track time.	12/9/2019 10:20 AM
27	Having just rejoined the club after (after a XX year absence) and relocating south , I look forward to contributing positively to a club I had great memories of in my youth.	12/9/2019 10:03 AM
28	Better communication	12/8/2019 8:13 PM
