Club Registration Details

The Southern Districts Car Club Inc is pleased to announce that it has been approved by the DPTI to administer Historic and Left Hand Drive vehicle registration under its "Club Registration Scheme". The Club has voted to enact this scheme and as such we now have all the procedures in place.

Basically the scheme for Historic Registration has been widened since 1st July 2017 to enable any vehicle that is 30 years old or more to be driven on public roads in Australia in any 12 month period for a maximum of 90 days even though that vehicle may have modifications made to it. The vehicle must be roadworthy and not be used for hire or reward.

If you are a financial member of SDCC and wish for your vehicle to be used under this scheme you can contact any one of the Authorised Officers listed below to administer the correct paperwork and supply you with a Log Book (cost \$5.00) so you can enjoy the benefits of this scheme.

To get the process underway contact any of those listed below

- David Charlton 0409592547 taytoncontrols@optusnet.com.au
